## Simply switch on simplicity

Mix simple with powerful and add convenience—and there you have it: a new formula for simplicity. Second-to-none engineering disguised as simplicity itself!
With its vibrant next-generation design, our VP300 now has improved ergonomics on the handle, lock, and bent-end, reducing strain, best-in-class filling capacity, and easy cord management. Simply elevating the user experience ensures powerful productivity.
Top features include:

- Coloured touchpoint guide to help the user interact with the machine, making it easy to use
- Tool-free maintenance makes it easy to access bags and filters
- Foot-reachable power switch and seamless cord management
- Quiet operation expands the cleaning hours without disturbing
- Simple bag replacement
